# BOOKS! BOOKS, BOOKS.

"There is no frigate like a book  
That can take us lands away,  
Nor any coursers like a page  
Of prancing poetry.  
This traverse may the poorest take  
Without oppress of toll;  
How frugal is the chariot  
That bears a human soul!"  
—Emily Dickinson

Because books are so vital to learning and growing intellectually, we have chosen books as our theme for the Hilltop of 1963.

# FOREWORD

WE, THE SENIORS OF RANDOLPH  
CENTRAL SCHOOL, IN ORDER TO  
ALWAYS REMEMBER THE SCHOOL  
YEAR OF 1962 AND 1963,

ESTABLISH IN OUR MINDS THE  
THINGS WHICH WE HAVE LEARNED  
AND THE FUN WHICH WE HAVE  
HAD,

INSURE THE MEMORIES OF OUR  
FRIENDS AND TEACHERS,

PROVIDE FOR THE TIME WHEN  
THIS PERIOD WILL SEEM LONG-  
DEPARTED, PROVIDE AN EVERLAST-  
ING SCHOOL SPIRIT, AND

SECURE THE BLESSINGS OF THESE  
DAYS FOR OURSELVES AND OUR  
POSTERITY . . . DO ORDAIN AND  
ESTABLISH THIS HILLTOP FOR THE  
PAST YEAR AT

RANDOLPH CENTRAL  
SCHOOL

# DEDICATION

MR. PERCY PAISLEY

To you, Mr. Paisley, we dedicate the Hilltop of 1963. It is but a small gesture in comparison with the work which you have done so untiringly for the past thirty years at Randolph. Whenever someone has been needed in any department of the school, you have always been there ready and willing to help us. No job has been too large or small for you to undertake.

It is you, Mr. Paisley, that we salute. Words alone cannot express the gratitude we feel for your many years of service at Randolph Central School. We therefore dedicate this book to you as a small token of our appreciation.

# IN APPRECIATION

Russell Young

Russell Young, President of the Board of Education, has worked constantly for the betterment of education in our community. He has been a member of the Board of Education for fifteen years and its president for the last six years. For all of his efforts in our behalf, we are grateful. May he continue to serve for many more years in the field of education.

# PRINCIPAL'S MESSAGE

James F. Davis

To the Graduates and Future Graduates:

You must find your obligations in what comes to you, not in what you may imagine might have been. To give real service you must add something which cannot be measured or bought with money—Sincerity and Integrity. We cannot change the past but the future is in your hands—may God guide you through a successful life.

# R.C.S. TEACHERS AT WORK

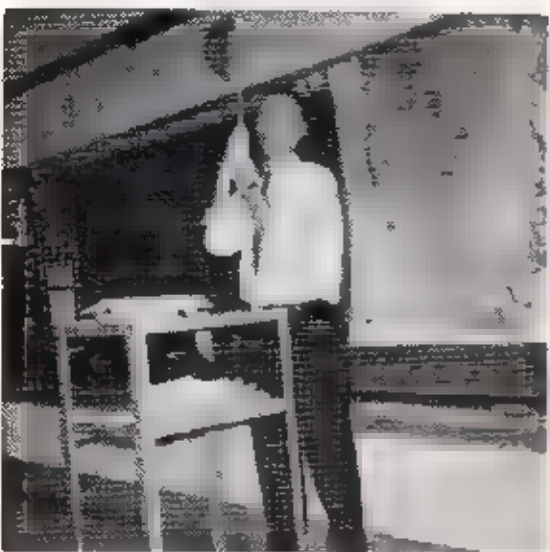

Dear Abbey,

Back to study hall for the next week!

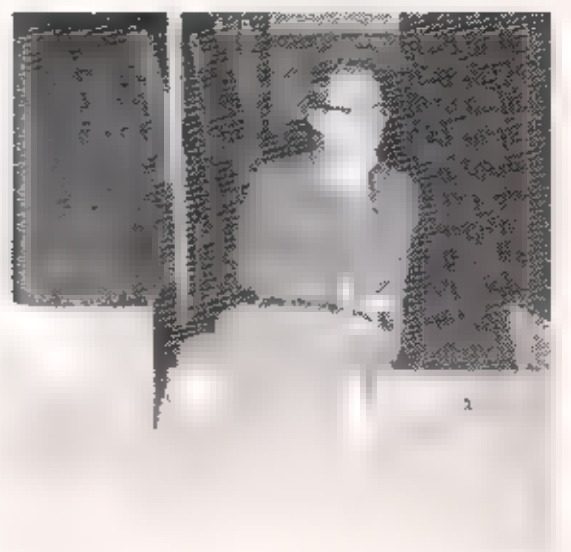

While strolling through the hall one day . . .

Hold that ladder!

Now about this stick . . .

Can you keep a secret?

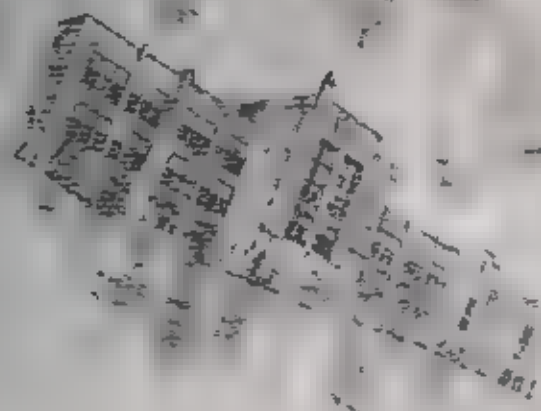

And what's your excuse?

Now by sawing it once, there would be two pieces and by sawing it three times . . .

# R.C.S. STUDENT GOVERNMENT

The Student Council schedules all extra-curricular activities. It also runs the monitor system. The Student Court has been set up for the purpose of running it smoothly.

At Christmas time, the members decorate the Christmas tree in the foyer. One program the Student Council has taken on is the "Student of the Month" program where two outstanding seniors are chosen each month by the faculty. As an addition this year, they added the "Student of the Year" program.

In general the Student Council assists the school administration by coordinating and performing many school functions.

The Student Council is the governmental body of the school, and is run on the democratic principle. There are eighteen members, who have been chosen to represent their class at all Council meetings. There are three representatives from the Senior and Junior classes, two from the Sophomore and Freshman classes, and one from the eighth and seventh grades plus the president of each class. The president of this organization is elected to his office by the whole student body. These elections are performed like our national elections.

## HONOR SOCIETY

One of the high points of the school year is the Honor Society Induction Ceremony. At this time of the year, there is a noted tenseness in the entire student body. Teachers and students alike ask the ever prevalent question, "Who will make it?"

Election to this society is a privilege of a select few. As the name denotes, honor in Scholastic achievement is one of the qualifications. To this Scholastic honor must be added honor in Service, Leadership, and Character. The last three qualifications are considered so very important that even though a student has the highest marks, he will not be admitted to the society if he does nothing for the school or if he shows traits of character that are undesirable.

Once a student is elected to this society, he is expected to uphold the ideals and so designates by saying:

"I pledge myself to uphold the high ideals of the National Honor Society; to build a strong character in myself and others; to further the advancement of scholarship; and to serve my school, my community, and my country in the interests of humanity."

### Randolph F.F.A.

The local chapter of the F.F.A. was organized and chartered on February 14, 1939. Although the teaching of Agriculture in the Randolph Central School system dates as far back as the year 1917. At that time Mr. Underwood was the local teacher of Agriculture and A. K. Getm was the state advisor. The Future Farmers take part in many activities during the year. Some of these are; dairy judging tours, Rally Day, and the county fair. While participating in these activities we try to fulfill the purposes of the F.F.A. The most important one being; "To develop competent, aggressive, leadership in Agriculture." — J.H.

## F.H.A.

Future Homemakers of America is the national organization of girls studying home-making in high schools of the United States and Territories.

As an integral part of the homemaking program, F.H.A. provides opportunities to students for having additional experiences in planning and carrying out activities related to homemaking.

The national organization is composed of chartered state associations which are made up of local chapters.

## F.H.A. PURPOSES

- To promote a growing appreciation of the joys and satisfactions of homemaking.
- To emphasize the importance of worthy home membership
- To encourage democracy in home and community life.
- To work for good home and family life for all.
- To promote International good will.
- To foster the development of creative leadership in home and community life.
- To provide wholesome individual and group recreation.
- To further interest in home economics.

# VARSITY CLUB

*Run

The Randolph Varsity Club was established in the spring of 1960. The constitution set up at that time explains the reasons why such a club was needed in our school. The following are statements from that charter which describe the purposes of the group: 1. to act as a stimulant and inspiration in building a strong, well-rounded athletic program. 2. to occupy the leisure time of its members with worthwhile projects. 3. to set a fine example in athletics for younger boys to follow. 4. to act as a serviceable organization in the school.

What has the Varsity Club done to carry out its purpose? During the years, members have sold pennants, sweatshirts, buttons, etc. with the name Randolph printed on them. By wearing such articles at a game, the student body can show their loyalty to the school and support the team members. The club in this way promotes school spirit and provides a stronger athletic program.

This year a hot dog machine was purchased. It will be used during school activities for raising money as a service to the school. All of these selling projects tend to occupy the leisure time of the members with something constructive.

Joining the club is a goal which younger boys may strive to reach. To do this they must earn a varsity letter and have desirable personal and scholastic qualities. At the close of each school year trophies are awarded to the most valuable player in football, wrestling, and basketball. This is another goal set by the club to encourage younger boys to become better sportsmen in our school.

The Randolph Varsity Club is an organization which is ready to serve faculty and students in any way possible in order to make R.C.S. a better school system.

Leader's Club was organized in 1962 for the purpose of promoting school spirit and leadership in gym classes. This year it has progressed greatly.

There are twenty nine members participating from grades nine through twelve. These girls have been carefully selected in order to better our school and our community and also to promote better understanding among our neighboring schools.

The members of Leader's Club hope to begin a girl's sport's program whereby the female students of Randolph Central School may participate in girl's sport's activities with other schools. So far, we have played volley-ball with schools in our area and hope to play similiar sports in the near future. We sincerely wish to create a girl's sport's program in our school because we believe it is essential.

Our advisor is Miss Heron and the following girls are our officers:

President	Sharon Schulz
Vice-President	Donna Schapp
Secretary	Susan Young
Treasurer	Bethany Schultz

# MOST HONORABLE PLAYERS OF THE YEAR

*Best of future  
in the future  
to a real swell guy  
Lynch*

Henry Schobey, Defense; Marvin Hubbard, Offense.

## MOST HONORABLE PLAYER AWARD

As an incentive over and above the thrill of playing, the coaching staff added a "Most valuable player award" for the 1962 Football Season. After each game of the season one offensive and

one defensive player was chosen for outstanding playing ability in that game. The players and the games were as follows:

Game	Offensive	Defensive
Franklinville	Hubbard	Groves
Jamestown J V	D. Dexter	Glow
Silver Creek	Hubbard	Anderson
Cassadaga	Sluga	Hubbard

Game	Offensive	Defensive
Bemus Point	Hubbard	Schobey
Westfield	1st string	1st string
Pine Valley	Hubbard	Schobey
Northern Area	Hubbard	Schobey

Much of the spark that carried our team to victory this year was due to the enthusiasm and spirit these boys showed.

At the end of the season one boy on Defense and one boy on Offense was chosen by the coaches as the "Most Honorable Player of the Year."

Although he played well on offense, the vote for "Most honorable player of the year on Defense" goes to HENRY SCHOBEY. Henry gets the credit for a total of eighty tackles, many made against some of the best ground gainers in the league.

Playing an excellent Defensive game and being able to pass and run, our biggest ground gainer for the season was MARVIN HUBBARD. Converted from a fullback to halfback, the speedy two-hundred pounder accounted for over one-hundred points scored during the season and was rated as one of the best backs in the league. Marvin gets our vote for "Most Honorable Offensive Player of the Year."

Each boy received a certificate indicating his award and gets a tip of the football helmet from

Austria, my home country, is not very big. It is approximately the size of Maine with a population of about seven million. I live in quite a small town in Waidhofen an der Ybbs in the central part of Austria. The climate there is very similar to here, but in the High Alps it gets much colder, and there is more snow. Our school system is quite different. In our high schools, called Gymnasium, we have to take 12 subjects; but, of course, not every day. We attend school from 7:20 to 12 or 1 o'clock and we also have school on Saturday. Our school year is divided into three marking periods. We do not have as many tests—only about eight a year in each main subject (German, English, Mathematics, and Latin). However, each one does count! In all the other subjects we have oral examinations.

economic position is one of stabilized prosperity. After the war we had a hard time recovering, because many of our towns were bombed and the workshops destroyed. Now we have quite a high standard of living, and practically no unemployment. The form of government of Austria is a democratic Republic.

family, all younger than I. At first I had a little difficulty getting used to eating the main meal in the evening, because we have it at noon. Also, we don't eat much for breakfast, but we take a snack at one o'clock in school.

It was not easy to get chosen for AFS, and I am so glad I could make it. I am especially glad I could come to Randolph for I like the town and the school very much. Someday, I am going to come back to the U. S. and visit my American family and all the friends I have made here.
